The prices listed in this list are the "NET" prices for each of the items shown. Since many of the items shown are of very limited quantity, we **highly recommend alternate choices!** Your first choice will of course be sent if at all possible. All orders are filled on a first come, first served basis. All material was in stock at the time this list was printed, but we sell a lot of the material on each list sent out. Therefore, if you order only a minimum amount of material, there is a good chance that many of your items will have already been sold. All material is returnable within (5) days after receipt if found undesirable. However, returns must have a valid explanation as to the purpose of their return, (see below for more information). Sorry, but due to the number of orders we receive, we can not "Hold" orders for payment, or inform you of what is still available. The cost of any item sold out will be refunded. Therefore, please send a credit card number or a check/MO with your order. If a refund is due to you for items already sold, we will send you an immediate refund check. We accept Mastercard, & Visa. Please send your name & all information exactly as it appears in raised print on your card, plus the expiration date as shown on the card. **All orders must be clearly written with all items priced, or your order will be returned.** Appropriate state sales tax will be added to all applicable California orders. Packing and shipping Information: All merchandise will be shipped with its value covered by a private insurance company. The cost of the insurance is not reflected in the actual amount of postage on the envelope, but depends upon the value of the stamps inside the envelope. **All prices shown are payable in U.S. funds.**

Please use the chart at the right to compute the postage, and insurance costs.
