Net Bargain List
List 2017 / #50

(A-Z)

Mint U.S. (Part 5), Argentina & Bolivia

Note: This list was mailed on — December 15th, 2017

The prices listed in this listing are the *NET* prices for each of the items shown. Since many of the items shown are one-of-a-kind, we *highly recommend* alternate choices! Your first choice will of course be sent if at all possible. All orders are filled on a first come, first served basis. All material was in stock at the time this list was printed but as those customers who have been with us a long time know we sell a lot of material from each list. Therefore, if you order only a small amount, there is a good chance that many of the items ordered will have already been sold, and your postage charge will exceed the cost of the stamps received. All material is returnable within (5) days after receipt if found to be not as described. Sorry, but due to the number of orders we receive, we can not "Hold" orders for payment, or inform you of what is still available. The cost of any item sold out will be refunded. Therefore, please send a credit card number or a check or M/O with your order. If a refund is due to you for items already sold, we will send you an immediate refund check. We accept Mastercard, & Visa. Please send your name & all information exactly as it appears in raised print on your card, plus the expiration date as shown on the card. All orders must be clearly written with all items priced. Do not just return these sheets with scribbles on it or your order will be returned. Appropriate California Sales Tax will be added to all applicable orders. Packing and shipping Information: All merchandise will be shipped with its value covered by a private insurance company. The cost of the insurance is not reflected in the actual amount of postage on the envelope, but depends upon the value of the stamps inside the envelope.

REFUNDS: Stamps sold in sets must be returned in their entirety for credit.

All prices shown are payable in U.S. funds. Please use the chart at the right to compute the handling, postage, and insurance costs.

KEY: NH=Never Hinged, H=Hinged, U=Used, MD=Minor Damaged, Sht=Sheet, SS=Souvenir Sheet, Imp=Imperf., NG=No Gum.

All orders: — \$5.00
\$100.00 - \$499.00, + Certified Fee
\$500.00 and above, + Registration Fee
Note: Non US shipments Postage and Fee's
may be in addition to the prices shown.
In addition, any bulky shipments such as
lots, albums, collections, etc. will be
additional to the above prices.

The Following Numbers Shown Are Scott Numbers, and All Are Priced Net.

The United States will be listed by the following grades. VG-F, perforations may touch or cut into the design. F-VF, perforations will clear the design, but not perfectly centered. VF-XF, stamps will be nicely centered. These are for those who want the very best. We are back in the US business, and we invite you to compare these prices with anyone retail or wholesale and we think you will be very happy. As most of you realize, 19th Century stamps usually are not well centered. That is why at auction if you get a choice one, it may sell for 10 times or more of the catalogue value. Our 19th century is the usual run, but if they are better we will list the higher grade. All stamps are sound unless noted. If you are not happy, just return them within three days for a full refund.
