## NEW ZEALAND & OTHER AREAS

This time we are once again listing nice areas. The prices shown in this list are the "Net" prices for each of the items shown. Please note: If you order a stamp or stamps from us we expect you to keep it, unless of course it is the wrong catalog number or defective. We have several people who catalog material for us and yes, mistakes are sometimes made. Remember, we are not "Approval" type dealers. Returns must have a valid explanation as to the purpose of their return. Therefore, please check your numbers carefully when ordering. In many cases, we have a very limited number of the same stamp, so first come, first served. Therefore, we *highly recommend* alternate choices! Your first choice will of course be sent if at all possible. All orders are filled on a first come, first served basis. All material was in stock at the time this list was printed. Please send a credit card number or a check/MO with your order. If a refund is due to you for items already sold, we will send you an immediate refund check. We accept Mastercard, & Visa. Please send your name & all information exactly as it appears in raised print on your card, plus the expiration date as shown on the card. Appropriate California sales tax will be added to all applicable orders. Packing and shipping Information: All merchandise will be shipped with its value covered by a private insurance company. The cost of the insurance is not reflected in the actual amount of postage on the envelope, but depends upon the value of the stamps inside the envelope. **All prices shown are payable in U.S. funds.**

All orders: — \$5.00  
**\$100.00 - \$499.00, + Certified Fee**  
**\$500.00 and above, + Registration Fee**  
**Note: Non US shipments Postage and Fee's**  
**may be in addition to the prices shown. In**  
**addition, any bulky shipments such as lots,**  
**albums, collections, etc. will be additional to**  
**the above prices.**
